September 25, 2010

Day class 8 am-4 pm

Where?

Class Location:

Springhill Suites

205 W. Hwy 436

Altamonte Springs, FL 32714

The State of Florida just passed a law stating all pharmacy techs must be certified by January 1, 2010. This is your chance to get that certification before the law changes.

Why Pharmacy Tech?

- ✓ The demand for pharmacy techs is high and climbing.
- ✓ Pharmacy Techs can expect good pay.
- ✓ Flexible working hours are available.
- ✓ Pharmacy Tech jobs are very challenging and rewarding.

About the instructor:

Rhomell Calara has built a solid reputation as Central Florida's premiere Consultant Pharmacist. Rhomell received his Doctorate of Pharmacy from Nova Southeastern University in 1997. After he graduated with high honors, he did a residency in Primary Care/Ambulatory care at the Bay Pines VA Medical Center. Rhomell is also a Licensed Consultant Pharmacist and is certified in respiratory care. He has retail experience as well as Long Term Care/Geriatric Pharmacy experience as well.

Only \$900
Only \$900
